

# Little Green Light

illuminating Data.  
Advancing Nonprofits.

## Cloud-based donor management software

Little Green Light has partnered with The Junior League to provide a solution to manage your donor activities and sync with Member Essentials.

- ✓ Manage donors and gifts
- ✓ Send mailings & emails
- ✓ Accept online donations
- ✓ Create custom reports

"The Junior League of Tampa is extremely happy with Little Green Light. Dues payments and donations are synced to LGL and mapped accordingly. We just held our Gala and sold all tickets and sponsorships through an LGL form. All donations were mapped according to the Fund and Appeal we created, making reporting extremely simple."

MarySue Mathews, The Junior League of Tampa
